The story behind Banjo Paterson's iconic Australian song. Ages 10-14 'Once a jolly swagman camped by a Billabong Under the shade of a Coolibah tree And he sang as he watched and waited till his Billy boiled You'll come a-waltzing Matilda with me...' In 1894, twelve-year-old Matilda flees the city slums to find her unknown father and his farm. But drought grips the land, and the shearers are on strike. Her father has turned swaggie and he's wanted by the troopers. In front of his terrified daughter, he makes a stand against them, defiant to the last. 'You'll never catch me alive, said he...' Set against a backdrop of bushfire, flood, war and jubilation, this is the story of one girl's journey towards independence. It is also the story of others who had no vote and very little but their dreams. Drawing on the well-known poem by A.B. Paterson and from events rooted in actual history, this is the untold story behind Australia's early years as an emerging nation. 'Jackie French has a passion for history, and an enviable ability to weave the fascinating minutiae of everyday life into a good story.' Magpies Magazine

An expose of two cover-ups: one the death of a swagman by a billabong; the other, a torrid affair between Banjo Paterson and his fiancée's best friend, and how the two events come together in Australia's best-loved national song. Australians know Waltzing Matilda, written by their most popular poet Banjo Paterson, as their most loved song and unofficial national anthem. What Australians don't know is that their song is embroiled in a web of secrecy, violence and a triangular love affair. Written at a pivotal time in Australia's history, Waltzing Matilda is as important to Australian culture as events like the Eureka Stockade and the story of Ned Kelly. One hundred and fifteen years after the writing of Waltzing Matilda, Australians continue to be fascinated with the

song and sing it proudly wherever they meet to celebrate. Given the facts outlined in this story, they will be further captivated and embrace the song for decades to come.

In the tradition of THE MAN FROM SNOWY RIVER comes a gripping and courageous sequel to A WALTZ FOR MATILDA Ages:10-14 the year is 1919. thirty years have passed since the man from Snowy River made his famous ride. But World War I still casts its shadow across a valley in the heart of Australia, particularly for orphaned sixteen-year-old Flinty McAlpine, who lost a brother when the Snowy River men marched away to war. Why has the man Flinty loves returned from the war so changed and distant? Why has her brother Andy 'gone with cattle', leaving Flinty in charge of their younger brother and sister and with the threat of eviction from the farm she loves so dearly? A brumby muster held under the watchful eye of the legendary Clancy of the Overflow offers hope. Now Flinty must ride to save her farm, her family and the valley she loves. Set among the landscapes of the great poems of Australia, this book is a love song to the Snowy Mountains and a tribute to Australia's poets who immortalised so much of our land. the Girl from Snowy River combines passion, heartbreak, history and an enduring love and rich understanding of our land. It continues the grand saga that began with A Waltz for Matilda. Praise for A Waltz for Matilda: '... this absorbing saga abounds in social and historical detail' Magpies

cream cakes and loving parents. It is also a time when his teacher measures the pupils' heads to see which of them have the most 'Aryan'- shaped heads. But when a university graduation ceremony turns into a pro-Nazi demonstration, Georg is smuggled out of Germany to war-torn London and then across enemy seas to Australia where he must forget his past and who he is in order to survive. Hatred is contagious, but Georg finds that kindness can be, too. A companion piece to the best-selling *Hitler's Daughter*, this is a story of war-torn Europe during WWII, as seen through the eyes of a young German boy Georg, who loses his family and must forget his past and who he is in order to survive. **MORE PRAISE FOR PENNIES FOR HITLER** 'Jackie French's research and subsequent feeling for the era is superb the descriptions of wartime Australia alone are fascinating. This is historical fiction at its best and thoroughly recommended for upper primary children and beyond.' -- Bookseller & Publisher, 5 Star Review 'From its dramatic opening sequence to its one word conclusion 300 pages later, this is an absorbing story rich with details of everyday life' -- Canberra Times 'This striking fiction for school age readers gives an unflinching view of war and a close-up human perspective on asylum seekers.' -- Saturday Age
