This publication provides all the information required to understand the PISA 2003 educational performance database and perform analyses in accordance with the complex methodologies used to collect and process the data. It includes worked examples providing full syntax in SAS®.

The PISA 2009 Technical Report describes the methodology underlying the PISA 2009 survey. It examines additional features related to the implementation of the project at a level of detail that allows researchers to understand and replicate its analysis.

"Every once in a while an author arrives with the rare talent to combine reality with romance. This is Janis Reams Hudson." -RT BOOK REVIEWS The stigma of his heritage has made Hawk accustomed to ridicule in Comanche County. Shunned by nearly everyone in town, he finds comfort in the one person who always accepted him: the beautiful Abby McCormick. But even as their childhood friendship blossoms into a passion neither of them can keep at bay, they know that Abby's father will never accept their love. Then, after an evening with Abby, Hawk is ambushed and beaten. Believing him dead, Abby spends four years mourning him. But when, against all odds, he storms back into her life, her hope for a love that never had a chance to truly be realized is restored. Hawk has returned for more than Abby, though. With his sights set on revenge, will he miss his second chance at the love that is right before his eyes?

"[A] magic kingdom of Victorian murder and intrigue."-The New York Times Book Review Thomas Pitt is now the powerful head of Britain's Special Branch, and some people fear that he may have been promoted beyond his abilities. His own self-doubt is fueled by rumors of a plot to blow up connections on the Dover-London rail line, on which Austrian duke Alois Habsburg is soon to travel. But why destroy an entire train to kill one obscure Austrian royal? Are the rumors designed to distract police from an even more devastating plot? Meanwhile, in a London sickroom, an old Italian woman is terrified that as she sinks into dementia, she may divulge secrets from her career as a revolutionary spy. And behind the doors of a stately manor, a beautiful young Croatian woman hoards mysteries of her own. Pitt and his clever wife, Charlotte, need these two fascinating women to tell them things they desperately need to know-before death and terror ignite an international catastrophe. Includes a preview of Anne Perry's next Charlotte and Thomas Pitt novel, *Midnight at Marble Arch* "The always clever Anne Perry infuses Dorchester Terrace with the right amount of intrigue and complex relationships that have made this prolific series one of the finest in modern mystery fiction."-Bookreporter "A classic . . . [a] novel of intrigue, romance and treason . . . replete with well-drawn characters."-Huntington News
