Fabien Vehlmann - Wikipedia

This collaboration between Fabien Vehlmann and Kerascoët (the latter is a pseudonym for art team Marie Pommepeuy and Sébastien Cosset) starts off like Alice in Wonderland, moves quickly into Candide and concludes like Kill Bill. In other words, it is quite a ride. Like the antiquated, unbowlerized versions of fairytales left in old world Europe, it contains quite a bit of the darkness ...

BEST OF THE YEAR NODS FROM AMAZON.COM AND PUBLISHERS WEEKLY! "Kerascoët... render Aurora and her friends in the huge-eyed style of classic children's book illustrations, but cuteness is just another Darwinian survival strategy here. Even on her clover-high scale, as Aurora discovers, romance is decided by social pecking order and murderous deceit."--Douglas Wolk, New York Times Kerascoët's and Fabien Vehlmann's unsettling and gorgeous anti-fairy tale is a searing condemnation of our vast capacity for evil writ tiny. Join princess Aurora and her friends as they journey to civilization's heart of darkness in a bleak allegory about surviving the human experience. The sweet faces and bright leaves of Kerascoët's delicate watercolors serve to highlight the evil that dwells beneath Vehlmann's story as pettiness, greed, and jealousy take over. Beautiful Darkness is a harrowing look behind the routine politeness and meaningless kindness of civilized society.

Charlotte—aka Charlie—a pretty redhead, sets up an expedition to find her brother. The young scientist, who disappeared underground several months ago, claimed, to everyone's astonishment, to be able to prove the existence of Hell by using Darwin's theory of evolution. The little group, led by Charlie, plunge underground in his pursuit. The deeper they progress into the entrails of our planet, the more they enter another world that hides other forms of life heretofore never experienced. The discovery changes them gradually in a way they cannot at first perceive...

In 1930s Paris, the & “ Butcher of the Dances& ” is on the prowl for young, loose women, and local dominatrix Agatha suddenly turns up dead. Everyone assumes it was suicide, but her sister Blanche is convinced that the Butcher is responsible. She decides to take matters into her own hands, and in her pursuit, she ends up hired into a luxury house of call-girls. She soon becomes adept at certain practices, but she does not lose sight of her ultimate goal—to find her sister's killer. A suspenseful spicy tale as only the French could so lightly get away with, this work is deceptive in its depth and realism.

When the repulsively ugly Coddie unintentionally saves a fairy from a spell, she does not understand the poisonous nature of the wish granted her by the fairy. The village folk no longer see her as repulsive and stinking of fish—they now perceive her as magnetically beautiful—which does not help her in her village. A young local lord saves her, but it soon becomes apparent that Coddie's destiny may be far greater than anyone ever imagined. Caustic and flamboyant, this fairy tale offers grownups an engrossing take on the nature of beauty.

This hardcover full-color graphic novel retells the whole exciting story of Disney and Pixar's *Turning Red*—now streaming on Disney+! In *Turning Red*, Mei Lee is a confident, dorky thirteen-year-old torn between staying her mother's dutiful daughter and the chaos of adolescence. And as if changes to her interests, relationships, and body weren't enough, whenever she gets too excited (which for a teenager is practically ALWAYS), she "poofs" into a giant red panda! *Turning Red* is directed by Academy Award-winner Domee Shi (Pixar short *Bao*), produced by Lindsey Collins and coming to theaters in Spring, 2022. This hardcover graphic novel retells the whole exciting story of Disney/Pixar *Turning Red* with full-color illustrations. It is perfect for boys and girls ages 8 to 12!

An untalented punk band and a parallel dimension—what could go wrong? In Borja González's stunning graphic novel, two parallel stories reflect and intertwine in a tale of youthful dreams and desires. In 1856, Teresa, a young aristocrat, is more interested in writing avantgarde horror poetry than making a suitable marriage. In 2016, three teenage girls, Gloria, Laura, and Cristina, want to start a punk band called the Black Holes. They have everything they need: attitude, looks, instinct . . . and an alarming lack of musical talent. They've barely started rehearsing when strange things begin to happen. As their world and Teresa's intersect, they're haunted by the echo of something that happened 160 years ago.

In a world between legend and dream, *A Wild Ride through the Night* describes the exhilarating and comic adventures of his twelve-year-old protagonist Gustave, a boy who aspires one day to be a great artist. When a disaster at sea puts Gustave in the uncompromising hands of Death, he has the choice to give up the ghost or take on a series of six impossible tasks. Gustave embarks on a strange and perilous journey during which he must save a princess from an angry dragon, pull a tooth from the Most Monstrous of All Monsters, fly over the moon, and even, somehow, meet his own self. Will Gustave's creativity and imagination be able to save him from his fate?

A haunting new novel about love, death, and the afterlife, from the author of *Quarantine Baritone Bay*, mid-afternoon. A couple, naked, married almost thirty years, are lying murdered in the dunes. "Their bodies had expired, but anyone could tell--just look at them--that Joseph and Celice were still devoted. For while his hand was touching her, curved round her shin, the couple seemed to have achieved that peace the world denies, a period of grace, defying even murder. Anyone who found them there, so wickedly disfigured, would nevertheless be bound to see that something of their love had survived the death of cells. The corpses were surrendered to the weather and the earth, but they were still a man and wife, quietly resting; flesh on flesh; dead, but not departed yet."
