Howl with laughter with Dog Man, the internationally bestselling series from Dav Pilkey, the creator of Captain Underpants! He was the best of dogs... He was the worst of dogs... It was the age of invention... It was the season of surprise... It was the eve of supa sadness... It was the dawn of hope... Dog Man hasn't always been a paws-itive addition to the police force. While he can muzzle miscreants, he tends to leave a slick of slobber in his wake! This time, Petey the cat's dragged in a tiny bit of trouble -- a double in the form of a super-cute kitten. Dog Man will have to work twice as hard to bust these furballs and remain top dog! Dav Pilkey's wildly popular Dog Man series appeals to readers of all ages and explores universally positive themes, including empathy, kindness, persistence, and the importance of being true to one's self.

David Icke exposes what he says is the real story behind global events which shape the future of human existence.

David Icke ' s strongest book to date, The Robots ' Rebellion reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world ' s power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion

against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world ' s established religions are not going to welcome Icke ' s challenging book. But it is not intended for those who wield and abuse power. This book is for the world ' s unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny. The Trainspotting lads are back...and in worse shape than ever. In the last gasp of youth, Simon "Sick Boy" Williamson is back in Edinburgh. He taps into one last great scam: directing and producing a porn film. To make it work, he needs bedfellows: the lovely Nikki Fuller-Smith, a student with ambition, ego, and troubles to rival his own; old pal Mark Renton; and a motley crew that includes the neighborhood's favorite ex-beverage salesman, "Juice" Terry. In the world of Porno, however, even the cons are conned. Sick Boy and Renton jockey for top dog. The out-of-jail and in-for-revenge Begbie is on the loose. But it's the

hapless, drug-addled Spud who may be spreading the most trouble. Porno is a novel about the Trainspotting crew ten years further down the line: still scheming, still scamming, still fighting for the first-class seats as the train careens at high velocity with derailment looming around the next corner.

Ten-year-old Darcy Burdock is one of life's noticers. Curious, smart, funny and fiercely loyal, she sees the extraordinary in the everyday and the wonder in the world around her. In this first book, we are introduced to her family: Mum, who Darcy loves as much as her favourite fried egg and chips, Dad, who is kind and fair if a bit hopeless, and little siblings Hector and Poppy, who Darcy likes dressing up in ridiculous outfits and having dance-offs with, respectively. Plus there's her pet lamb, Lamb-Beth and best friend, Will, to have adventures with. Darcy learns that turning into an angrosaurus-rex and causing chaos just gets you in trouble, it's best not to throw a massive strop just before your surprise birthday party, Halloween is all about spider costumes and having a pumpkin with a wonky eye, and if you're ever in a situation where you're not sure what to do, you should write a story around it, and the truth will be illuminated by your imagination.
