With this book, you can handle all of the maintenance needs of your four-stroke small engine, whatever the brand, and take on virtually any repair project. It guides you through each procedure in clear, concise steps, with more than 325 color photographs and illustrations. Small Engine Care & Repair provides more than just detailed instructions and glossy photos. It teaches you the principles of small engine operation, so you can broaden your knowledge, whether you're performing maintenance or repairs or just want to understand your equipment better. This book is a resource for beginners and seasoned home mechanics alike, with a wealth of information on specialty tools, safety and other issues affecting your small engine. This new, expanded edition has been revised to include an important section on seasonal maintenance, and updated to include the latest engines, maintenance products, and tools.

This practical, step-by-step guide advises on how to repair Briggs and Stratton engines, which power a wide variety of lawn mowers, garden tools, go-karts, air compressors and other light utility units. This edition has been updated to include current information on both new and old engines, as well as a new section on engine components and types.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Provides guidance on repairing the ignition, carburetors, fuel systems, rewind starters, electrical systems, and other parts of small gas engines

Originally published in 1974. The thirty-six essays of this book were written and assembled in hour of an internationally recognised scholar of medieval literature. Written by a diverse range of contributors, the chapters cover not only various studies of aspects of Chaucer's poetry, but also some other medieval authors and investigations about the period, particularly referencing carols and hymns.
