The United States has the highest documented incarceration rate in the world; in 2008, for every 100,000 citizens, 764 were in jails or prisons. With nearly half of ex-convicts committing crimes after their release, numerous support programs exist to facilitate their successful reintegration to society. This is a directory of ex-offender programs run by the national government as well as by individual states (and Puerto Rico, Virgin Islands, Washington, D.C.). Addresses, phone numbers and web sites are listed for all organizations that aid the ex-convict in locating employment, housing, support groups, clothing and food. A vital resource for both organizations and individuals interested in the rehabilitation of released offenders.

This second edition of Beyond Talent provides user-friendly real-life advice, examples, and perspectives on how to further a career in music. Understanding the unique talents and training of musicians, veteran music career counselor Angela Myles Beeching presents a wealth of creative solutions for career advancement in the highly competitive music industry. Step-by-step instructions detail how to design promotional materials, book performances, network and access resources and assistance, jump start a stalled career, and expand your employment opportunities while remaining true to your music. Beeching untangles artist management and the recording industry, explains how to find and create performance opportunities, and provides guidance on grant writing and fundraising, day jobs, freelancing, and how to manage money, time, and stress. The companion website puts numerous up-to-date and useful internet resources at your fingertips. This essential handbook goes beyond the usual "how-to," helping musicians tackle the core questions about career goals, and create a meaningful life as a professional musician. Beyond Talent is the ideal companion for students and professionals, emerging musicians and mid-career artists.

To support the broadening spectrum of project delivery approaches, PMI is offering *A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition* as a bundle with its latest, the *Agile Practice Guide*. The *PMBOK® Guide - Sixth Edition* now contains detailed information about agile; while the *Agile Practice Guide*, created in partnership with *Agile Alliance®*, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The *PMBOK® Guide - Sixth Edition* - PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled *Approaches for Agile, Iterative and Adaptive Environments*, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the *PMI Talent Triangle™* and the essential skills for success in today's market. *Agile Practice Guide* has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including *A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition*, and was developed as the result of collaboration between the *Project Management Institute* and the *Agile Alliance*.

This case study describes a unique vocational program at Lancaster County Career Technology Center in Mount Joy, PA, where high school students are gaining hands-on construction experience in building high performance homes with help from Building America team, Home Innovation Research Labs. This collaboration resulted in the *Green Home 3*, the third in a series of high performance homes for *Apprentice Green*. As one of LCCTC's key educational strategies for gaining practical experience, students are involved in building real houses that incorporate state-of-the-art energy efficiency and green

technologies. With two homes already completed, the Green Home 3 achieved a 44% whole-house energy savings over the Building America New Construction B10 Benchmark, DOE Zero Energy Ready Home (formerly Challenge Home) certification, and National Green Building Standard Gold-level certification.

Your career is not a one-time decision made early in life. Rather, you refine or redefine it as you grow professionally. This volume helps you:

- Recognize when it's time for a change
- Articulate the business activities that interest you most deeply
- Assess your skills and values
- Update your skills to remain competitive in the workforce
- Spot and seize advantage of career-development opportunities
