The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.).

Contains a summarization of market quotations which have appeared in the National Daily services, or have been supplied by dealers on special lists.

In America, a new franchise outlet opens every eight minutes-a rate that is accelerating both here and worldwide-yet to date, no publication has provided more than a cursory glimpse into the owners' experiences. The Franchise Ratings Guide is a deeper examination, revealing an industry in which deceit is common and a full 30% of franchise owners regret their purchase. The Franchise Ratings Guide provides essential and thorough advice on pre-purchase steps, in-depth, actual owner insight from more than 3,000 franchise owners, and reference data on each company surveyed, including contact, investment, and royalty information. It's got all the information you need to make an informed investment decision.
