## the curious case of benjamin button

"I was born under unusual circumstances." And so begins "Benjamin Button," adapted from the classic 1920s story by F. Scott Fitzgerald about a man who is born in his eighties and ages backward ...

"The Curious Case of Benjamin Button" is a short story written by F. Scott Fitzgerald. First published in *Collier's Magazine* on May 27, 1922. It was subsequently anthologized in his book *Tales of the Jazz Age*, which is occasionally published as *The Curious Case of Benjamin Button and Other Jazz Age Stories*.<sup>[1]</sup> It also was later adapted into the 2008 namesake film and in 2019 into a stage musical.

Although better known today for his novels, in the 1920s F. Scott Fitzgerald ranked among the top writers of magazine fiction. Fitzgerald represented the dreams and aspirations of the post-World War I generation in his life as well as his works. With his glamorous wife, Zelda, and his cosmopolitan social circle, he projected the perfect image for narrating tales of restless youth in a hectic world. These short stories offer insights into many themes, characters, and techniques that emerged in Fitzgerald's later works. The title tale, "The Curious Case of Benjamin Button," reflects his preoccupation with life's fleeting nature. "Winter Dreams," written three years before *The Great Gatsby*, shares the concept of commitment to an idealized dream. "Babes in the Woods," developed during the author's Princeton days, evidences the roots of *This Side of Paradise*. Thirteen other selections offer further insights into the author's growing skills as well as examples of his sparkling prose, understated wit, and deft characterizations.

The inspiration for the major motion picture starring Brad Pitt and Cate Blanchett, plus eighteen other stories by the beloved author of *The Great Gatsby* In the title story of this collection by one of America's greatest writers, a baby born in 1860 begins life as an old man and proceeds to age backward. F. Scott Fitzgerald hinted at this kind of inversion when he called his era "a generation grown up to find all Gods dead, all wars fought, all faiths in man shaken." Perhaps nowhere in American fiction has this "Lost Generation" been more vividly preserved than in Fitzgerald's short fiction. Spanning the early twentieth-century American landscape, this original collection captures, with Fitzgerald's signature blend of enchantment and disillusionment, America during the Jazz Age. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*Tales of the Jazz Age* (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either *Metropolitan Magazine* (New York), *Saturday Evening Post*, *Smart Set*, *Collier's*, *Chicago Sunday Tribune*, or *Vanity Fair*.

The Curious Case of Benjamin Button is a short story written by F. Scott Fitzgerald.

Nine stories about a group of eccentric New York residents follow the experiences of young Davie Birnbaum and his witness to the unfolding lives of his fellow tenants, an elderly man aging in reverse, a man who abandons his family to spy on them, and more. A first collection. Reprint. 15,000 first printing.
