This is an Arabic-English Dictionary. It is very helpful if you are trying to learn Arabic but of course the words are not romanized/transliterated so you have to at least know how to read Arabic script and recognise root words. It is similar to Hans Wehr's but adds the bonus of giving you Arabic Synonyms for most entries.

and entertain, through more than 8500 entries found in texts from the Qur'an to today's newspapers. With explanations in Arabic and English, it is an essential resource for both students of Arabic and native speakers. Reaching into the great wealth of this complex and intriguing language, the dictionary draws on and reveals the rich cultural and religious traditions of Arabic-speaking communities that have informed its idioms. Expressions of condolence, astonishment, and hardship, alongside sayings about friendship, miserliness, and reconciliation are collected and made accessible here, and glimpses are provided into history through phrases tied to important events and figures- from the ancient Egyptians to Saddam Hussein-
