At that time, the company focused on manufacturing a line of mid-size walk-behind mowers and turf rakes. In 1987, due to the rapidly growing turf care equipment market and the competitive nature of that market, the product line was expanded to include commercial riding mowers. Exmark sells its products through a network of dealers.

The truth is, nobody knows your Exmark machine better than the people who developed it. No aftermarket parts provider owns the original design, engineering and test requirements needed to make meaningful, original quality claims. So, if you don't use Original Exmark Parts on your mower or turf management equipment, it's not 100% an Exmark.
