As with all ancient grimoires it is critical to start with the best original copy available,

as usual these are the French editions that have been changed and altered the least. Secondly, it is critical to have a translator that knows what the words mean beyond the crude word itself. To know the hidden occult meaning, hear the voice of the creator and manifest that into modern understanding. A master occult translator is needed, and he appears as Guild Grand Master Robert Blanchard. There are a lot of translations floating around the occult world, mostly taken from the original IGOS translations of 30 years ago. Sadly these have been added to, changed and terribly altered by uneducated ego driven occultists. Some were changed deliberately to mislead positive occultists. Only IGOS the professional Guild that it is, offers only quality unaltered grimoires and magical texts. Do not trust other translations offered by poorly trained occultists.
