guided reading year 3 | Classroom Secrets

Guided reading helps students develop greater control over the reading process through the development of reading strategies which assist decoding and construct meaning. The teacher guides or "scaffolds" their students as they read, talk and think their way through a text (Department of Education, 1997).

Guided reading - Department of Education and Training

Reading Response activities will likely form a major part of your reading programme, whether you are running guided reading groups, a daily 5 system, literature circles or a reading workshop set up. It is time-consuming to create follow up activities for every book or text that your students read, so it is great to have ready to go activities that work across a range of genre.
