OLD & NEW TESTAMENT The American Standard Version (ASV) came into being due to the leadership of Phillip Schaff, who assembled a team comprised of 30 American and British scholars. Work on the ASV was completed in 1901.

Acces PDF Holy Bible American Standard Version

The translation was tasked with the goal of an accurate, literal, word-for-word translation of the Holy Scriptures. The ASV took advantage of two 19th century developments to achieve their goal: improvements in understanding the grammar and syntax of koine Greek (the language of the New Testament), and a

Acces PDF Holy Bible American Standard Version

more complete library of manuscripts than previous Bible translators had access. As a result of this work the ASV translation was developed that retained distinctions made in Greek that are not normally expressed in modern English. For example, second person personal pronouns in modern English usage are normally

Acces PDF Holy Bible American Standard Version

“you” which gives no distinction between the singular and plural. Koine Greek unambiguously makes the distinction between a second person personal singular pronoun and the second person personal plural pronoun. In this case the ASV retained these distinctions by using archaic English (“you” for the singular and “ye”

Acces PDF Holy Bible American Standard Version

for the plural). The word-for-word translation of the ASV was attractive in the scholarly environment, and the ASV was adopted as the standard version used by many American seminaries. The ASV is the foundation and starting point for several modern translations. Hence it is a very good reference and even primary

Acces PDF Holy Bible American Standard Version

translation to use. Note: Paperback is 8.5x11 with regular thickness pages for durability. Also only 263 pages for portability. Small font to keep the price down, but readable and excellent as a reference.

The Holy Bible Aionian Edition is the world's first Bible un-translation! (free at AionianBible.org and Google Playstore)

What is an un-translation? Bibles are translated into each of our languages from the original Hebrew, Aramaic, and Koine Greek. Occasionally, the best word translation cannot be found and these

Acces PDF Holy Bible American Standard Version

words are transliterated letter by letter. Four well-known transliterations are Christ, baptism, angel, and apostle. The meaning is then preserved more accurately through context and a lexicon. The Aionian Bible un-translates and instead transliterates ten additional Aionian Glossary words to help us better

Acces PDF Holy Bible American Standard Version

Understand God's love for individuals and allmankind, and the nature of after-life destinies. The key Greek word un-translated in the Aionian Bible is aionios, typically translated as eternal and also world or age. However, aionios means something much more wonderful than eternal! Ancient Greeks used the

Acces PDF Holy Bible American Standard Version

adjective aionios to mean entirety and completeness, such as the complete amount from the beginning to the end of the aion, but never eternal time. So aionios is the perfect description of God's Word which has everything we need for life and godliness! And the aionios life promised in John 3:16 is not a simple ticket to eternal

Acces PDF Holy Bible American Standard Version

life in the future, but the invitation through faith to a complete life now!

Visit AionianBible.org/Preface for further explanation. The un-translation helps us to see aionios and the additional AionianGlossary words in context. The original translation is not changed at all and an inline note is inserted in sixty-
