In Nick Hornby's How to Be Good, Katie Carr is certainly trying to be. That's why she became a GP. That's why she cares about Third World debt and homelessness, and struggles to raise her children with a conscience. It's also why she puts up with her husband David, the self-styled Angriest Man in Holloway.

**How to Be Good by Nick Hornby**
How to Be Good is a 2001 novel by the English writer Nick Hornby. It centers on characters Katie Carr, a doctor, and her husband, David Grant. The story begins when David stops being "The Angriest Man In Holloway" and begins to be "good" with the help of his spiritual healer, DJ GoodNews (who also shows up briefly in Hornby's A Long Way Down). The pair go about this by nominally convincing people to give their spare bedrooms to the homeless, but as their next scheme comes around, "reversal ...

In good nick definition: in good condition | Meaning, pronunciation, translations and examples

**In good nick definition and meaning | Collins English ...**

In Nick Hornby's novel "How to be Good" the character Katie Carr tries to find an answer to these questions. The novel was written and published in 2001 and is, as many books of Nick Hornby, a bestseller. Katie Carr is married to David, an angry, swelling newspaper editor. They have two children, Tom and Molly.

**How To Be Good - Nick Hornby Essay - 317 Words | AntiEssays**

But when David suddenly becomes good - properly, maddeningly, give-away-all-his-money good - Katie's sums no longer add up, and she is forced to ask herself some very hard questions. Nick Hornby's brilliant new novel, a No. 1 bestseller in the UK and Ireland, offers a painfully funny account of modern marriage and parenthood, and asks that most difficult of questions: what does it mean to be good?

**How to be Good By Nick Hornby | Used - Very Good ...**

Patrick McGuigan talks with Nick Hornby about the changing roles of men and women in his new novel. How To Be Good. Men stumble through life bewildered by relationships, terrified of responsibility and unable to articulate their feelings; or so you would think from the characters portrayed in Nick Hornby's novels.

Definition of in good nick British , informal : in good condition I watched the team practice, and all the players looked in good nick .

A wise and hilarious novel from the bestselling author of Funny Girl, High Fidelity, and About a Boy. A brutally truthful, compassionate novel about the heart, mind, and soul of a woman who, confronted by her husband’s sudden and extreme spiritual conversion, is forced to learn “how to be good”—whatever that means, and for better or worse... Katie Carr is a good person...sort of. For years her husband's been selfish, sarcastic, and underemployed. But now David's changed. He's become a good person, too—really good. He's found a spiritual leader. He has become kind, soft-spoken, and earnest. Katie isn't sure if this is deeply felt conversion, a brain tumor—or David's most brilliantly vicious manipulation yet. Because she's finding it more and more difficult to live with David—and with herself.

"Lucy used to handle her adult romantic life according to the script she'd been handed. She met a guy just like herself: same age, same background, same hopes and dreams; they got married and started a family. Too bad he made her miserable. Now, two decades later, she's a nearly-divorced, forty-one-year-old schoolteacher with two school-aged sons, and there is no script anymore. So when she meets Joseph, she isn't exactly looking for love—she's more in the market for a babysitter. Joseph is twenty-two, living at home with his mother, and working several jobs, including the butcher counter where he and Lucy meet. It's not a match anyone one could have predicted. He's of a different class, a different culture, and a different generation. But sometimes it turns out that the person who can make you happiest is the one you least expect, though it can take some maneuvering to see it through"--

"How often do you begin reading a book that makes you—immediately, urgently, desperately—want to read more books?" (Booklist). Nick Hornby has managed to write just such a book in this hilarious, insightful, and infectious volume. Ten Years in the Tub chronicles Hornby's journey through a decade's worth of books, as related in his wildly popular Believer column "Stuff I've Been Reading." Ten Years in the Tub is a one-way ticket into the mind of one of the most beloved contemporary writers on his favorite pastime, but it's also a meditation on what Celine Dion can teach us about ourselves, a warning about how John Updike can ruin our sex lives, and a recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days. This "decade-long addiction for many... makes standing in line at the bank a blessed interval for snorting another page." (the New York Times Book Review)

Critically acclaimed novelist Michael Farris Smith pulls Nick Carraway out of the shadows and into the spotlight in this "masterful" look into his life before Gatsby (Richard Russo, Pulitzer Prize-winning author of EMPIRE FALLS and CHANCES ARE...) Before Nick Carraway moved to West Egg and into Gatsby's periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World War I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance-doomed from the very beginning-to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know but few have pondered deeply. Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribes, Nick reveals the man behind the narrator who has captivated readers for decades.

"Read what you enjoy, not what bores you," Nick Hornby tells us. That simple, liberating, and indispensable directive animates each installment of the celebrated critic and author's monthly column in the Believer. In this delightful and never-musty tour of his reading life, Hornby tells us not just what to read, but how to read. Whether tackling a dismayingly bulky biography of Dickens while his children destroy something in the next room, or getting sucked into a serious assessment of Celine Dion during an intensely fought soccer match featuring his beloved Arsenal, or devouring an entire series of children's books while on vacation, Hornby's reviews are rich, witty, and occasionally madcap. These essays capture the joy and ire, the despair and exhilaration of the book-lover's life, and will appeal equally to both monocle-wearing salonnieres and people, like him, who spend a lot of time thinking about Miley Cyrus's next role.

A brilliant novel from the bestselling author of High Fidelity, About a Boy, and A Long Way Down. Set in 1960's London, Funny Girl is a lively account of the adventures of the intrepid young Sophie Straw as she navigates her transformation from provincial ingénue to television starlet amid a constellation of delightful characters. Insightful and humorous, Nick Hornby's latest does what he does best: endears us to a cast of characters who are funny if flawed, and forces us to examine ourselves in the process.

A heartbreaking, funny, and honest look inside of a marriage falling apart and the lengths a couple would go to in order to fix it from the bestselling author of About a Boy and High Fidelity. Now a SundanceTV series starring Rosamund Pike and Chris O'Dowd! Tom and Louise meet in a pub before their couple's therapy appointment. Married for years, they thought they had a stable home life—until a recent incident pushed them to the brink. Going to therapy seemed like the perfect solution. But over drinks before their appointment, they begin to wonder: what if marriage is like a computer? What if you take it apart to see what's in there, but then you're left with a million pieces? Unfolding in the minutes before their weekly therapy sessions, the ten-chapter conversation that ensues is witty and moving, forcing them to look at their marriage—and, for the first time in a long time, at each other.

\*WINNER OF THE WILLIAM HILL SPORTS BOOK OF THE YEAR\* Fever Pitch is Nick Hornby's million-copy-selling, award-winning football classic 'A spanking 7-0 away win of a football book. ... inventive, honest, funny, heroic, charming' Independent For many people watching football is mere entertainment, to some it's more like a ritual; but to others, its highs and lows provide a narrative to life itself. But, for Nick Hornby, his devotion to the game has provided one of few constants in a life where the meaningful things - like growing up, leaving home and forming relationships, both parental and romantic - have rarely been as simple or as uncomplicated as his love for Arsenal. Brimming with wit and honesty, Fever Pitch, catches perfectly what it really means to be a football fan - and in doing so, what it means to be a man. 'Hornby has put his finger on truths that have been unspoken for generations' Irish Times Funny, wise and true' Roddy Doyle

When the crazy meth-dealer they stole several hundred grand in cash breaks out of prison, escaping deep into the bayou and hell-bent on revenge, repo-man Nick Reid and his friend Desmond must rally the troops for a showdown in the Mississippi Delta. 30,000 first printing.
