Independent Study by Joelle Charbonneau is the second book of The Testing trilogy. The book leaves off a few months after the events in book one. Cia is now a student at the university in Tosu City.

Independent Study (The Testing, #2) by Joelle Charbonneau

Parents need to know that Independent Study is a dystopian science-fiction adventure in the mold of The Hunger Games. It continues the story begun in The Testing, in which high-achieving students are pitted against one another in an exam that has life-or-death consequences. The violence is less intense in this installment and mostly concentrated at the book's climax.

Independent Study: The Testing, Book 2 Book Review

In Independent Study, Cia is a freshman at the University in Tosu City with her hometown sweetheart, Tomas--and though the government has tried to erase her memory of the brutal horrors of The Testing, Cia remembers. Her attempts to expose the ugly truth behind the government's murderous programs put her--and her loved ones--in a world of danger.
