She knew the story of her life: her cries, her coos, her first words. It was only when Sophie's husband accused her of giving birth to another man's baby that she went for paternity tests and discovered that her husband was right (sort of). The baby, then aged 10, wasn't his, but she wasn't Sophie's either.

How to Tell Your Own Life Story - Quiet Revolution

If your life was a harsh one you may not want to include the real names of the people involved. You may also want to consider whether your life story could be written as fiction. There's an old adage that "real life is better than fiction." Maybe your true story could be written in fiction form making it more saleable for mass market. 2.

In a memoir, you are the main character of your own life story. Many memoirists use the facts of their life story to create an engaging tale for the reader. Because you are relying on your own memories as source material for the story, you may end up describing things differently than others might remember it.

How to Write About Your Own Life: 15 Steps (with Pictures)

Story Starter Sentences One of the most difficult parts of creative writing is actually getting a new piece started. It's not always easy to come up with fresh ideas to hone your story writing skills and before you know it, you can waste 30 minutes looking at a blank piece of paper.
