While the plot of "Life, Love, and a Polar Bear Tattoo" seems spongy at best, there's more to this book than just a woman trying to decide between two lovers. Wardell actually takes us deeper into our main character Candice's mind than who she wants to sleep with.

The life of an individual with bipolar disorder is filled with extremes. When medications begin to remove some of those extremes, it may feel somewhat boring. This sensation typically passes as the individual realizes this is a healthier way of life, but before that realization can come, he or she may be tempted to return to the extremes.
