edge workforce solutions to help organizations achieve business, technology, and operational goals. York Solutions focuses on fostering a long-term, trust-based relationship.

IT Consulting Firm - York Solutions

Hello, I am trying to set up a Koike Plasma table with a Westinghouse/Linatrol tracing head and a Lynx HL-8/9 controller. I have no manuals for the controller or tracing head and so far have been unable to get the tracing head to reliably acquire a line and make the corners on the pattern. If any one has any advise it would be appreciated.
