Linking Verb Worksheets Related ELA Standard: L.2.1. Answer Keys Here. Linking verbs connect subjects with words that tell more about the subject. What is weird is that for a verb, linking verbs often do not stress or show any action at all. Instead their purpose is to link the subject to the remainder of the sentence.

The American Journey: Linking Past and Present Activities -

The present perfect tense is one of the forms of verb tenses that forms a relation between the past and present. The use of this form of verb tense to explain an action means that the action has either began in the past, but is still being continued in the present or that the action happened at some indefinite time in the past. Present perfect tense consists of two main elements.
