Treasure Of Love, their first studio effort in 12 years, might not have happened at all if it hadn't been for the pandemic. The trio began recording these tracks some time ago, only finding time to ...

Young King Solomon longs for peace and true love, while his promised bride, a shepherdess named Arielah, hopes that Solomon can ignore his distractions and give himself completely to just one woman.

Standing in the massive shadow of his famous father, young king Solomon wavers between fear and bravado, wisdom and folly. In the uncertain world of alliances and treachery, Solomon longs for peace and a love that is true and pure—a love that can be his cornerstone. A shepherdess in the northern city of Shunem, Arielah remembers the first time she laid eyes on Solomon in Jerusalem when she was just seven years old. Since then she has known that it was her destiny to become his bride. When her father, a leader of their tribe, secures a promise from King Solomon to marry Arielah as a treaty bride to help unite the kingdom, it seems her dreams may come true. But how can this simple shepherdess live as part of Solomon's harem? Can Solomon set aside his distractions to give himself completely to just one woman? Or will he let duty, deception, and the daily routine divide his heart? Mesu Andrews expertly weaves the words of the Song of Solomon into this touching story of the power of love. Readers will be transported from the glowing fields of Shunem to the gleaming city of Jerusalem as they experience this rich and textured novel from a master storyteller.

Readers often think of Job sitting on the ash heap, his life in shambles. But how did he get there? What was Job's life like before tragedy struck? What did he think as his world came crashing down around him? And what was life like after God restored his wealth, health, and family? Through painstaking research and a writer's creative mind, Mesu Andrews weaves an emotional and stirring account of this well-known story told through the eyes of the women who loved him. Drawing together the account of Job with those of Esau's tribe and Jacob's daughter Dinah, Love Amid the Ashes breathes life, romance, and passion into the classic biblical story of suffering and steadfast faith.

Hosea has been charged by God with a difficult task--marry a prostitute in order to show God's people the nature and depth of his love for Israel. When Hosea goes to Israel to proclaim God's message, the prostitute God tells him to marry turns out to be his childhood friend Gomer. He finds her broken and abused, unwilling to trust Hosea or his God. But when marrying Hosea becomes her only choice, Gomer does what she's good at--she survives. Can Hosea's love for God and God's love for Israel heal Gomer's broken spirit? With her potent combination of in-depth research and masterful storytelling, Mesu Andrews brings to life a complex and fascinating biblical story of the power of love and forgiveness in the face of utter betrayal.

Princess Jehosheba wants nothing more than to please the harsh and demanding Queen Athaliah, daughter of the notorious Queen Jezebel. Her work as a priestess in the temple of Baal seems to do the trick. But when a mysterious letter from the dead prophet Elijah predicts doom for the royal household, Jehosheba realizes that the dark arts she practices reach beyond the realm of earthly governments. To further Athaliah and Jezebel's strategies, she is forced to marry Yahweh's high priest and enters the unfamiliar world of Yahweh's temple. Can her new husband show her the truth and love she craves? And can Jehosheba overcome her fear and save the family--and the nation--she loves? With deft skill, Mesu Andrews brings Old Testament passages to life, revealing a fascinating story of the power of unconditional love.

In the Middle Ages, relic cults provoked rich expressions of devotion not only in hagiographic literature and visual art but also in liturgical music and ritual. Despite the long-recognized inter-play between these diverse media, historians of the period rarely integrate analysis of sacred music into their research on other modes of worship espoused by relic cults. Holy Treasure and Sacred Song situates this oft-neglected yet critical domain of religious life at the center of an examination of relic cults in medieval Tuscany. Long recognized as a center of artistic innovation during the Renaissance, this region also boasted the rich and well documented veneration of holy bishops and martyrs buried in the cathedrals and suburban shrines of its principal cities. Author Benjamin Brand reveals that the music composed to honor these local saints - no fewer than ninety chants for the Mass and Divine Office - were essential components of larger devotional campaigns that included the recording of their life stories and the building and decoration of their shrines. Furthermore, the local Tuscan clerics who assumed control of these campaigns with the intent of gaining both temporal and spiritual power drew on influential global models - literary, architectural, musical, and ritual - from preeminent European powers, Rome and the Carolingian Empire. By integrating detailed analyses of plainsong and sacred ritual into this rich panorama, Brand traces the dialectic between local, regional, and pan-European trends, revealing the centrality of the liturgy in the development of medieval relic cults and, in a broader sense, medieval European culture and politics. Offering a rich topography of music, liturgy, and devotion through an interdisciplinary approach ideal for the multifaceted nature of medieval relic cults, Holy Treasure and Sacred Song will find a broad audience amongst musicologists and medievalists alike.
