Autobiography of Vinod Mehta, born 1941, Indian editor and journalist.

The Life and Times of India's Greatest Tragedienne Vinod Mehta's riveting account of Meena Kumari's life begins with her death, weeks after the release of her swan-song Pakeezah. He goes back in time to Meetawala Chawli in Dadar East, where she was born, and to the flats and mansions she lived in, the studios where she worked, the hospital where she died and the cemetery she was cremated in. Having never met the star, Mehta talks to all those who were close to her - her much-maligned husband Kamal Amrohi, her sisters, her in-laws, her colleagues and co-stars - to create a complex portrait of a woman who carefully cultivated the image of someone 'unfairly exploited and betrayed by her lovers and lady luck'. It was a picture that blended with her on-screen persona. The media had, after all, already anointed her Hindi cinema's 'great tragedienne'.

Delhi OMG! is the story of one man's struggle for survival in the colorful, yet tough Indian city of Delhi. Summary Of The Book Delhi OMG! is the story of a man named Dinesh. It is set in the big, bad city of Delhi, traversing some of the key places in the city and exposing its shocking underbelly. Dinesh is a middle class man who goes from living in government flats in Netaji Nagar to a posh, luxurious DLF residence. As Dinesh goes about his life in Delhi, he encounters various characters from all walks of life. His journey also takes him to several hot-spots of the city, acquainting him with a different side of Delhi: a shocking side often hidden under the cloak of superficiality. At once humorous and hard-hitting, the story presents the vibrant as well as the dark side of life in Delhi. The book explores themes like bribery, obsession with foreign women, sex trafficking, and the well-known fixation of Delhiites on the concept of self-image. Common perceptions about the city of Delhi are once again brought to the fore, and perhaps even strengthened by the narrative. Delhi OMG! was first published in 2012 by Om Books International. It received positive reviews. About Vinod Nair Vinod Nair is an Indian management professional and author. He has written books like Dynamics Of Hotel Management Issues And Perspectives, and Delhi OMG!. Born in 1967 in New Delhi, Nair graduated with a B.Com degree from Delhi University. He then studied International Management at the chartered Management Institute, UK. He is currently employed with an American multinational company and heads its Human Resources Division. Nair lives in Gurgaon with his wife and their daughter, Carissa.

A veteran journalist and former member of Parliament, Kuldip Nayar is India's most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at Lahore University before migrating to Delhi with his family at he time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant. He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty-five years and later served as Indian high commissioner to the UK during the V.P. Singh government. His stand for press freedom during the Emergency, when he was detained, his commitment to better relations between India and Pakistan, and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia.

[Ajith's book] is the first full account I have seen between hard covers which is exclusively about a journalist's adventures and journeys in the field... An extraordinary first 'rough draft of history', a portrait of India from the 80s to the present time.? ? Vinod Mehta 'Ajith Pillai's account of his journalistic odyssey covers the period of India's Great Transformation from the 1980s to the present. He does so with incisive wit and insight into a breathtaking range of issues. This ought to be a handbook for all aspiring journalists, since Pillai is an enemy of sycophantic corporate ideology and craven submissiveness to wealth and power which characterize most of today's celebritywriters.? ? Jeremy Seabrook, British author and columnist In a journalist's career, the best stories can seldom be published? Veteran journalist Ajith Pillai's colourful career spanning nearly three decades has taken him from the murky underworld of Bombay to the icy heights of Kargil; yet, the reports he has written are only half the story. Now, for the first time, the 'off-the-record' experiences that never found their way to print are presented in this witty and engaging memoir. Beginning with a call from a furious Chota Shakeel, Dawood Ibrahim's right-hand man, asking him to retract a story on 'Bhai' or face the consequence, Ajith takes the reader on a journey that sees him guide V.S. Naipaul to meet the 'boys' from the underworld; follow the sensuous Silk Smitha around Bombay on a New Year's eve; witness the first shots of Operation Vijay during the Kargil War; track, along with a colleague, a Brigadier accused of high treason across the country; stumble upon embarrassed Congressmen in Kamathipura, Bombay's red-light district; discover who was actually pulling the strings during Vajpayee's tenure as PM; and coordinate the coverage of the multimillion dollar Scorpene submarine scam and the sensational Radia tapes. Written with Ajith's trademark wry humour, these real stories, often more entertaining than fiction, are a testament to a journalist's life, as well as a comment on the changing nature of the effervescent Indian media.

An authentic, heartfelt and compelling narrative – straight from the horse's mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Meta, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaa!, Karma, Saudagar and Qila.

In this biographical study of his own family, Zareer Masani describes in a brutally frank language his own assessment about the intimate life of his parents, the charismatic Indian politician Minoo Masani and his talented wife Shakuntala.

It's no secret that certain social groups have predominated India's business and trading history, with business traditionally being the preserve of particular 'Bania' communities. However, the past four or so decades have seen a widening of the social base of Indian capital, such that the social profile of Indian business has expanded beyond recognition, and entrepreneurship and commerce in India are no longer the exclusive bastion of the old mercantile castes. In this meticulously researched book ? acclaimed for being the first social history to document and understand India's new entrepreneurial groups ? Harish Damodaran looks to answer who the new 'wealth creators' are, as he traces the transitional entry of India's middle and lower peasant castes into the business world. Combining analytical rigour with journalistic flair, India's New Capitalists is an essential read for anyone seeking to understand the culture and evolution of business in contemporary South Asia.

Autobiography of a politician.
