The Honda K-Series engine was introduced in 2001, replacing the B-Series as the engine of choice for Honda enthusiasts. These new K-Series engines are the most powerful stock Honda/Acura engines you can get. They featured new technology such as a roller rocker valvetrain, better flowing heads, and advanced variable cam timing technology that made these engines suddenly the thing to have. And that's where the engine swappers come in. In Honda K-Series Engine Swaps, author Aaron Bonk guides you through all the details, facts, and figures you will need to complete a successful K-Series swap into your older chassis. All the different engine variants are covered, as well as interchangeability, compatibility, which accessories work, wiring and controls operation, drivetrain considerations, and more. While you can still modify your existing B-Series, dollar for dollar, you can't make more power than you can with a Honda K-Series engine. If you have an older chassis and are looking for a serious injection of power and technology, swapping a K-Series engine is a great option. Honda K-Series Engine Swaps will tell you everything you need to know.

Bash Nadir was a promising young guitarist in Austin, Texas who dreamt of having a successful career in the music business. His dreams were shattered when he lost his arm in a motorcycle accident. Working as the sound engineer for a rock band, the Zeniths, Bash and the band move into an old house in the country where no one expects the strange and dark events awaiting them, events that will lead Bash to revelation, redemption, and the love of his life.

I had a dream like so many people do to start a new life in a new country. I decided to do more than just dream about it. I decided to give up my life in England and try and live a new life in Thailand. I wrote about my adventure in the book "My Thai Story" but the story was only half told. This is the long awaited sequel to that book. My Thai Story II completes my story. It tells how my dreams found a conclusion. It takes you step by step on the adventure that I had set out on. Could a farang like me make it in "The Land of Smiles"? This book will tell you what happened and how it happened. This is the conclusion to my very own Thai story.
