Lisa Jewell is a really good writer and I was surprised when I realised I hadn't read her first book, the cover is simple but perfect for the story behind it. Jem is the centre of attention in this book and I love that as she's such a lovely character she's someone you want as a friend as she's a good listener and counts everyone she has in her ...

Ralph's Party by Lisa Jewell - FictionDB

Ralph's Party is one party you'll thoroughly enjoy and one which you will stay to the end. I also loved Thirtynothing (see other review). Lisa Jewell is a product of this new wave of British writers (like Nick Hornby and Isabel Wolff) who know how to tell a story and how to create colorful yet believable characters. I can hardly wait for Ms. Jewell's next book "One Hit Wonder".

Ralph's party book by Lisa Jewell

This is one of Lisa Jewell's first books & it's easy to see how she's grown as a writer since this, it's unrecognisable to her more recent work. It's an easy light read & she's in entertaining form following up on the characters of Ralph's Party. It follows a fairly predictable pattern but

Another great book from Lisa Jewell, a very moving, well written and emotive story as some of the beloved characters from the classic bestseller Ralph's Party struggle 12 years on with the realities of family life. “Lisa Jewell leaves the chick-lit tag firmly behind with *Before I Met You*, a poignant story about a young woman uncovering her grandmother’s bohemian life in 1920s London—and finding her own place in the world in the process.” *Good Housekeeping* (UK) “Jewell’s moving novel immerses readers in the lives of these unique characters through the universal themes of family and a search for belonging...a compelling and entertaining novel.” *Publishers Weekly* *Jazz Age London*, a passionate and forbidden interracial romance, and the unbreakable bond between a bright young woman and her eccentric grandmother come together brilliantly in this gem of a novel from the New York Times bestselling author of *Then She Was Gone*, perfect for fans of *Downton Abbey*, *Twenties Girl*, and *The Chaperone*. After her grandmother Arlette’s death, Betty is finally ready to begin her life. Her will included a beneficiary unknown to Betty and her family, a woman named Clara Pickle who presumably could be found at a London address. Now, having landed on a rather shabby street corner in 1990s Soho, Betty is determined to find the mysterious Clara. She’s ready for whatever life has to throw her way. Or so she thinks . . . In 1920s bohemian London, Arlette De La Mare is starting her new life in a time of postwar change. Beautiful and charismatic, she is soon drawn into the hedonistic world of the Bright Young People. But two years after her arrival in London, tragedy strikes and she flees back to her childhood home and remains there for the rest of her life. As Betty navigates the ups and downs of city life and begins working as a nanny for a rock

This 9th edition of the UN Environment Emissions Gap Report assesses the latest scientific studies on current and estimated future greenhouse gas emissions and compares these with the emission levels permissible for the world to progress on a least-cost pathway to achieve the goals of the Paris Agreement. This difference between "where we are likely to be and where we need to be" is known as the 'emissions gap'. As in previous years, the report explores some of the most important options available for countries to bridge the gap.
