Sze-kar Wan examines the social and political ramifications of Paul's last and longest letter. By taking seriously Paul's faithfulness to his ancestral tradition, Wan argues that Paul is engaged in ethnic construction by incorporating non-Jews into Ideal Israel. With its claim of universality and the cosmic Son of God installed as king, Ideal Israel stands in pointed opposition to the Roman Empire. Wan presents the Letter to the Romans as Paul's extended argument to his Gentile audience in defence of Ideal Israel and their place in it, without ignoring such prominent themes as good news, faith and belief, eschatology, and the collection for the poor. By also including a reading of Romans 13 as resistance against absolute authority, at variance with historical interpretations that defended American slavery and German Nazism, Wan gives readers a new perspective on a defiant message that can be marshalled to resist oppressive regimes.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Romans was Paul's greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, Jared Wilson writes with a pastor's eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

In my many years of attending Bible study, I have found that many who attend barely grow beyond the level of being fed the word of God. Many are stocked in the level of milk without the capacity to handle the solid word of God. The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today. Every good shepherd desire that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine. However, due to various environmental and organizational challenges, a small group Bible study setting may be lacking in many churches. The members may attend worship services on Sunday and other times, and listen to the pastor's sermon day after day, but never have the opportunity to contribute their God-given ideas or ask questions that could strengthen their courage to share their faith with understanding. This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual-warfare weapon in memory verse during each Bible study session. The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic. The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting. The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living. Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups is a must-have handbook for pastors, leaders of various Christian fellowship groups, and believers that will love to grow in their Christian walk.

Everything we have we've been given. Even our very lives are a gift from God, given so we can live to give, not live to get. Yet it is our tendency in life to absorb, to take in without distribution resulting in a "soursing" of all that is good and a separation from all that is intended. In The Life You Were Born to Give, David McKinley helps readers shift their focus from getting all they can out of life to giving their lives away, for Christ. Guiding them through the book of Romans, the transformational message includes: A Life Delivered (Romans 1-11) A Life Devoted (Romans 12: 1-2) A Life Distributed (Romans 12-16) "Recommended for readers looking for a basic approach to spiritual growth." -Don Morgan, Aspiring Retail
