Because the SAT is a paper test (as opposed to a computer test), it's best to take the practice tests on paper. Also, make sure you do your scratch work directly on the test. Don't get out separate pieces of scratch paper to use since on the actual test you won't get any scratch paper (but will be allowed to take notes directly in your test booklet).

Narrator Gladys Cailiff is eleven years old in 1938 when a worldly schoolteacher turns the small town of Threestep, Georgia, upside down. Miss Grace Spivey defies the traditional curriculum and racial boundaries alike, regaling her charges with readings from the Thousand Nights and a Night and casting a gifted African American student as "chief engineer" of the town's annual festival, newly reinvented as the Baghdad Bazaar. But her progressive actions are not without consequence and ultimately culminate in a night of death-defying stories that take readers on a magic carpet ride from a schoolroom in the South to the banks of the Tigris (and back again).
