Dark matter by Blake Crouch - Book Synopsis - The Book Freak ~~Reviewing Dark Matter by Blake Crouch Dark Matter by Blake Creueh | Book Review (NO SPOILERS) | Books That You Can Read in One Sitting #1 Editorial Dude's 2017 Book Recommendations~~ Snowbound Blake Crouch

Snow Bound is a standalone thriller written by Blake Crouch. The brief synopsis of this book in no way prepared me for what was to come. There are some dark themes running through this mystery/thriller and to say the ending was a surprise is putting it lightly. Overall, a good thriller that was fast-paced and engaging.

Snowbound | Crouch Blake | download

This is a shoot-em up mystery that involves lots of sex and violence and I don't believe the author has tried to hide that at anytime. It is also written by Blake Crouch, who is famous for this type of book. THE LEATHERING OF HER FACE The book has flaws and is a little unbelievable in parts. A father taking his child into some very dangerous situations, one too many twists (as mentioned by other reviewers), people getting the crap beat out of them or frost bitten or chewed up by wolves and ...

This is the first Blake Crouch book I've read and overall I was neither loving it or hating it. I'm personally more a fan of thrillers/crime books which are believable and this plot seemed a bit far fetched for me. The first half of the book was excellent - a really twist and turn, but the second half was just too unbelievable for my liking.
