Milo Mitchell's life used to be charmed, but that was before her family dissolved, she went a little crazy, and her best friends started acting more like strangers. Spending Saturday morning in a treehouse with a stun gun for company and a herd of deer for friends is the only exciting thing in her life...until she shoots a fawn and finds her dart stuck in a guy. Her gorgeous victim is dressed in a Brioni tux and armed with a hanky. He has no idea who or where he is. Afraid her dart caused his amnesia, Milo takes him in, names him Nick, and vows to help him solve his mystery. Soon the pair find Nick's face in a newspaper obituary, and Nick begins to have strange, ethereal memories of Milo - who is sure she's never met him. Suddenly Nick knows things he shouldn't know and is

□ AN AMAZON TOP 50 BESTSELLER! □ I didn't know I was that person. You know-the one who gets the kids. But that's what the will said. June Lawler: Legal Guardian. All my sister's kids have ever known is San Francisco, but I have to take them back to our family's small-town farm. The last thing I'm expecting is the dark car rolling down my dirt driveway. The man who steps out of it is as rich as he is rude, and I want nothing to do with him. Even if my traitor body didn't get the message. ***My little brother was everything to me. Now even his kids are gone. Spirited away to Heat Springs, Georgia--population 298. They're living on a farm that's on the brink of bank foreclosure with a 26-year-old who didn't finish high school. Nowhereville is not the place for little Mastersons, but I'll get them back. "June Bug" Lawler is poorer than the red dirt she comes from. It's money she must want, and I've got plenty of that. I've never met a problem that my money couldn't solve. This country girl won't be the first.

A DESIRE BEYOND REASON As a vampire, Elijah Pike (alias Roger Neimann) has been a slave to instinct—consuming human blood to satisfy an unquenchable thirst. the Louisiana bayou, left him disfigured and consumed by hatred for those he considers traitors to the race. He went underground to lick his wounds—and to gather an army of evil that will follow him in his quest for vengeance. A CALL TO ARMS Pike knows that the fate of innocent mortals depends upon his victory in a battle against his own kind—one in which no mercy can be shown. Now, in the frozen wilderness of the Canadian Rockies, he'll face Morpheus once more—and the snow will be stained with blood . . . "If you read one horror book this year, read this one!" —William W. From USA Today bestseller Ella James After that close-up of his package on the sailboat in Morocco, TMZ started calling him Crown Jewels. Not that I keep track of Prince Liam. Definitely don't stalk him online like my friends do. I'm out of that scene now. My family's reality show might still be running, but I've been off-screen for a while. When people pass me on the sidewalk, they might squint, but most of them don't scream "Lucy Rhodes" and ask about my love of Lucky Charms or how my broken toe healed. Prince Liam—my stalking his Instagram—that's just for fun. It's my dirty little secret. Trust me, I'm the only woman in the world who doesn't actually want him. Except I'm back in the Hamptons for the first time in two years. I'm at a party, and Prince Manwhore is here as well. I tell myself that smile has no effect on me. That his ridiculous charisma is a parlor trick I see right through. After our one night together, no one knows that I succumbed. It doesn't matter. It meant nothing. Not until I see those two pink lines.

FROM USA TODAY BESTSELLER ELLA JAMES, A STORY OF PAIN AND REDEMPTION... Gwenna White's new neighbor is...distracting. He's a beautiful, tattooed, motorcycle-driving enigma. One she can't allow herself to think about. Since the accident that ruined her face and stole her career, Gwen, a former model, lives under the radar, seldom leaving the bear sanctuary she runs in the Tennessee mountains. She's not reclusive, but that doesn't mean she's looking for a lover. Definitely not someone who looks like that. * Barrett Drake could use a friend: a tall order, since most of his are dead. His damaged hand may be the reason he's out of special ops, but it's not his only wound. Not by a long shot. All that's left between Bear and a new life is one last job. If he can hold on, get it done... He won't be here that long. Just long enough to ruin Gwen's life and make a speedy exit. That's the plan. But things don't always go as planned. You can't choose who you love. You can't fix fate. And that's the problem... *Murder is a standalone romance with a hint of mystery. It's the second in the Sinful Secrets Series, in which each book is inspired by a sin and centered on a huge secret. *The first Sinful Secrets novel, Sloth, is a USA Today bestseller and can be read free via Kindle Unlimited.

I was sixteen when he came to our house. Landon Jones, a boy with nothing, from nowhere. He had cinnamon hair and gray eyes--just like mine. When we went out as a family with my foster brother, people asked if Landon was my twin. He wasn't. That year, we found out how much he wasn't. When my parents caught us, they threw Landon out like trash. Now I'm twenty-seven, a soon-to-be surgeon, like my mom and

Tom Willock's first book, *Green River Rising*, earned the kind of reviews that are rarely accorded to most so-called literary thrillers. This remarkable debut was hailed for its rich, powerful writing as well as its dramatic, page-turning suspense. The *New York Times* Book Review called it "beautifully vivid" and "triumphantly realized," while *People* called it "as fine a thriller as one could ask for." The author's much-anticipated second novel is as powerful and ambitious as its predecessor. Set in New Orleans and the rural South, it is the story of a chain of cataclysmic events let loose by the murder of Clarence Jefferson, a legendary lawman who has gathered a cache of evidence that could imprison corrupt politicians in five states. His last act, it appears, was to handpick two people as the unlucky heirs of his potentially explosive evidence files. The pair must either dispose of them as fast as they can or—at considerable risk to themselves—deliver the files to the authorities. Lenna Parillaud and Dr. Cicero Grimes, Jefferson's "beneficiaries," have never met. Lenna, a millionaire businesswoman, has been racked by grief and rage over the loss of her daughter. Dr. Grimes is a clinically depressed psychiatrist. Though both have burdens enough of their own, they are swept up into this story of Southern violence, passion, and vengeance, the likes of which perhaps only the readers of Willock's previous novel can imagine. Compared by critics to

Norman Mailer, James Ellroy, Stephen Hunter, and Andrew Vachss, Willocks offers a unique amalgam of gritty realism and something more—a depth and intensity that is seldom achieved in popular fiction.

Coming in June 2012 - Darkness Rising, Book 2 of the Into the Shadows Series!!! Paivi Anderson has it all—friends, a spot on the varsity basketball team, wonderful parents, and quite possibly, her first boyfriend. It was everything a freshman in high school could ask for. Her perfect life begins to crumble when she discovers her name on a list distributed by a power-hungry presidential candidate. How could anyone think of Paivi as an Enemy of the State? Could it be because of her special powers? No one was supposed to know about them, but the mysterious messages in her tater tots say otherwise. In INTO THE SHADOWS, Paivi quickly learns who her friends are and is forced into a reality she didn't see coming.
