An endearing tale about a little boy who wants to be sure. “See you this afternoon,” says Daddy when he drops off Matthew at kindergarten. But Matthew says, “What if, this afternoon, the old green car doesn’t start?” Thus begins a series of what-ifs that Matthew poses to all of Daddy’s ideas about how he’ll fetch him, each one more fantastic than the last: he’ll come by teddy bear, by the wings of birds, by dragon! Children will want to snuggle up inside its warm covers.

Narrating both the physical and emotional challenges, DeAndrade offers a look at her strength in facing her challenges head on in a story filled with both integrity and interminable sass. *Little Legs,*
