Kristina Riggle, the acclaimed author of *Real Life & Liars*, returns with a thought-provoking novel inspired by real-life events Seventeen-year-old Morgan Monetti shocks her parents and her community with one simple act: She chooses to stand by the man everyone else believes has exploited her—popular high school teacher TJ Hill. Quietly walking across a crowded courtroom to sit behind TJ, and not beside her parents, she announces herself as the adult she believes herself to be. But her mother, Dinah, wants justice. Dinah is a fighter, and she believes with all her heart and soul that TJ is a man who took advantage of her daughter. He is a criminal who should be brought to justice, no matter what the cost to his family. Rain, TJ's wife, is shocked that her handsome, loving, respected husband has been accused of a terrible crime. But has her desperation to start a family closed her eyes to the fault lines in her marriage? And can she face the painful truths about herself and her husband? Told from the perspectives of these three remarkable women, *The Whole Golden World* navigates the precarious territory between childhood and adulthood, raising questions about love and manipulation, marriage and motherhood, consent and responsibility. It's a novel both shocking and unforgettable in its power.

Diana and Joe's seemingly idyllic family life is shattered by their seventeen-year-old daughter's illicit affair with a married teacher, a situation that escalates into a court battle that pits the teen against her parents.

Famed Broadway producer Milo Short may be eighty-eight but that doesn't stop him from going to the office every day. So when he steps out of his Upper West Side brownstone on one exceptionally hot morning, he's not expecting to see the impossible: a woman from his life sixty years ago, cherry red lips, bright red hat, winking at him on a New York sidewalk, looking just as beautiful as she did back in 1934. The sight causes him to suffer a stroke. And when he comes to, the renowned lyricist discovers he has lost the ability to communicate. Milo believes he must unravel his complicated history with Vivian Adair in order to win back his words. But he needs help—in the form of his granddaughter Eleanor—failed journalist and family misfit. Tapped to write her grandfather's definitive biography, Eleanor must dig into Milo's colorful past to discover the real story behind Milo's greatest song *Love Me, I Guess*, and the mysterious woman who inspired an amazing life. A sweeping love story, family mystery and historical drama set eighty years apart, *Vivian in Red* will swell your heart like a favorite song while illuminating Broadway like you've never seen before.

On the weekend of their parents' anniversary party, lies will be revealed, hearts will be broken...but love will also be found. And the biggest shock may come from Mirabelle herself, because she has a secret that will change everything.

INSTANT NEW YORK TIMES BESTSELLER "A must-read for anyone who loves history and art." --Kristin Hannah From the #1 New York Times bestselling author of the smash bestseller *Orphan Train*, a stunning and atmospheric novel of friendship, passion, and art, inspired by Andrew Wyeth's mysterious and iconic painting *Christina's World*. "Later he told me that he'd been afraid to show me the painting. He thought I wouldn't like the way he portrayed me: dragging myself across the field, fingers clutching dirt, my legs twisted behind. The arid moonscape of wheatgrass and timothy. That dilapidated house in the distance, looming up like a secret that won't stay hidden." To Christina Olson, the entire world was her family's remote farm in the small coastal town of Cushing, Maine. Born in the home her family had lived in for generations, and increasingly incapacitated by illness, Christina seemed destined for a small life. Instead, for more than twenty years, she was host and inspiration for the artist Andrew Wyeth, and became the subject of one of the best known American paintings of the twentieth century. As she did in her beloved smash bestseller *Orphan Train*, Christina Baker Kline interweaves fact and fiction in a powerful novel that illuminates a little-known part of America's history. Bringing into focus the flesh-and-blood woman behind the portrait, she vividly imagines the life of a woman with a complicated relationship to her family and her past, and a special bond with one of our greatest modern artists. Told in evocative and lucid prose, *A Piece of the World* is a story about the burdens and blessings of family history, and how artist and muse can come together to forge a new and timeless legacy.
